## Kids Explain Moms

Why did God make mothers?

- She's the only one who knows where the scotch tape is.
- Mostly to clean the house.
- To help us out of there when we were getting born.

How did God make mothers?

- He used dirt, just like for the rest of us.
- Magic plus super powers and a lot of stirring.
- God made my mom just the same like he made me. He just used bigger parts.

What ingredients are mothers made of?

- God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.
- They had to get their start from men's bones. Then they mostly use string. I think.

Happy Mother's Day!
